WILD OLIVE

2021 SHIRAZ McLAREN VALE

REVIEWS

Fine wine club - Barry Weinman - 03.08.22 - 92 points

"In keeping with the name, this is savoury, earthy and textured. There is a core of ripe fruit, but this is a little bit brooding and closed right now. An excellent wine that could go well with spicy food."

The Real Review - Huon Hooke - February 2022 - 91 Points

"Deep and youthful red/purple colour. The bouquet is smoky, charry and chocolaty, blackberry joining in on the palate. It's rich and full-bodied, with plenty of tannins but a nice soft texture. A full-bodied, gutsy shiraz that will reward some cellaring. Excellent value!"
